Advertising for Director

Tim Wilson is interested in running again

Tim's idea is to have a 'boys' director and a 'girls' director.

United Way Funding is \$1500 this year, down from last. Each sport may need to chip in something to help the Org. We allocate an even amount to each sport, but the org has bills to pay to keep us running.
187.50 to each sport: but it will come back to the org.

Exec session: N/A

Respectfully Submitted,

Deb Morais
